Star Trek simulator ride coming to Riverside

RIVERSIDE, Calif. – The Metropolitan Museum's Star Trek exhibit is adding a new feature for visitors to enjoy – a motion simulator ride.

Resistance is futile on the definitive warp speed encounter! Ride with a group of intrepid fellow travelers on a thrilling flight through the solar system. Beginning on Friday, November 26, visitors can go on a four-minute mission with the Starfleet crew to destroy the enemy Borg ship.

The simulator ride is located next to the Festival of Lights Ice Skating rink on the corner of University Avenue and Main Street – directly across from The Metropolitan Showcase featuring *Star Trek The Exhibit: Where Science Meets Science Fiction*. The simulator ride is available Friday, November 26 through Sunday, January 2, as part of the Festival of Lights celebration.

The simulator ride is open Monday through Thursday from noon to 6 p.m. and Friday through Sunday from noon to 8 p.m. Ticket price for the motion simulator ride is \$3 per person.

For more information, visit www.riversideca.gov/museum/exhibit-startrek.asp or call 951-826-5273.

About Star Trek

Star Trek the Exhibition, located at the Metropolitan Showcase at 3800 Main Street, is a truly impressive array of exhibits featuring sets, costumes, priceless museum pieces and props from all five Star Trek television series and eleven Star Trek feature films, including the new blockbuster. Together these components offer Star Trek fans and novices alike an opportunity to experience first-hand the imagination, artistry, technology and meticulous craftsmanship that have made Star Trek the most enduring science fiction franchise in history.

Star Trek The Exhibit: Where Science Meets Science Fiction is open daily from noon to 6 p.m. General admission is \$15 for adults and \$12 for children and seniors. Exhibition retail shop also includes large selection of collectable and specialty items. For more information on upcoming events, please visit www.riversideca.gov/museum.
